

IBS KOLKATA ALUMNI MEET

14 July'18
7 P.M onwards.
@ Saturday club

Dear Alumni members (Batches from 2001 – 2006)

It has been more than a decade since you started your journey from IBS, Kolkata to the corporate world. Some of you must have several experiences including success or even failure stories to share with us.

Such remembrances including developments on your personal front can only be shared if we arrange for a smart get together at a convenient place.

Let us meet on 14th July' 18 from 7PM onwards at Saturday Club with your spouse and children.

We are inviting three batches as mentioned above for better connectivity. All alumni members from batches even if they are not from IBS Kolkata can join in.
